**WOOD CUTTING
 SAW BLADES
 Positive Hook Angle**

NOTE: Please specify Centre Hole size when ordering, eg. PT184/24 x 16mm.
 Blade centre holes can be altered to customer's requirement.
 Knurled O/D, precision CNC turned bushes can be supplied to cover all machine manufacturer's spindles. £0.22 each nett.

**Nett Prices for blades supplied in bulk.
 Printing and packaging at cost dependent upon requirements.**

- FULLY HARDENED SAW BODY
- EXPANSION SLOTS FOR COOLER, QUIETER PERFORMANCE
